

Stop and Shop/ShopRite Grocery Card Fundraiser

The Home and School Association will be running a Stop and Shop And ShopRite Grocery Card Program all school year. We will be selling grocery cards in \$25, \$50, and \$100 increments. This fundraiser is as simple as it gets. If you shop at Stop and Shop or ShopRite, you can use the grocery cards instead of cash. You don't lose anything in this fundraiser. We all grocery shop so why not help out the school as you do. You swipe the grocery card just like a credit card at the cash register. If you send in \$25, you get a \$25 grocery card but the school gets \$1.25 for every \$25. **We are expecting each family to participate and buy at least \$1000 worth of grocery cards during the school year. With 100% participation the school could earn at least \$10,000.**

When you send in your money marked Stop and Shop Grocery Cards, Rhonda Nonamaker, c/o Elizabeth Grade 4, you will have your grocery cards delivered to your child the next morning. There are no longer Friday sales of grocery cards. Be sure to check your child's bookbag and let them know how important the envelope is so he/she doesn't lose it.

This fundraiser is simple and convenient.

Thank you for your participation.
