

The SS. Peter and Paul School Family ministers to students in pre-k to grade 8: encouraging actions that model Jesus.

S Strengthens Catholic teaching through prayer and community service

S Supports students' academic, spiritual and emotional needs

P Promotes a safe and positive learning environment to an increasingly diverse population

P Provides opportunities for family involvement in children's religious, academic and social lives.

October 29, 2018

Dear parents,

Halloween is quickly approaching. We plan to present our annual parade of costumes on October 31st by grades Pre-K through 3. The other students will be in the audience cheering. Parents are welcome to attend. The festivities will begin at 1:45 P.M. All students will have parties that day. Feel free to send in a snack or drink for the class.

Thank you to all who have been helping out with various school activities. It is always nice to see parents involved helping to support the school in various ways. It was also nice to see so many parents during parent/teacher conference week.

There is a lot going on this season. The athletic department is holding an Adult Prom on November 16th. We are hoping to use the funds from this event to help offset sports expenses. Also, the 8th grade will be holding their annual Ziti Dinner on Election Day night. Please help support grade 8 as they work hard to pay for their big field trips this year. Advance sales ticket forms are available online or in the office.

Students should be in their winter uniforms as of November 1st, except on gym days and other special "free dress" days. Students should be wearing school shoes and appropriate socks as well. We are allowing school hoodies during the winter months. There are several versions in use.

I am hoping to schedule the Christmas show in the evening in the gym, as we did last year. I thought that the show last year went beautifully, and it was very well attended.

SS. Peter and Paul is a traditional Catholic School, which teaches traditional Christian values. We do not do things to other people in self-defense here. We are peace-makers. Please make sure to explain this to your children. I have brought this up several times during morning prayer.

The school store is open for business. Students may purchase school supplies on Fridays during their lunch time. Parents who are interested in helping with the lunch program or other things are more than welcome, but they must be Virtus trained.

A sports meeting is scheduled for November 1st at 6:30 P.M. This meeting is mandatory for all parents. I believe that all of the coaches will be returning this year. Coaches are volunteering their free time for the school and their teams. Please try your best to be supportive of their efforts. They do not have easy jobs!

May God bless you and your families,

Sincerely,
Mr. Gambardella
