

SSPP Families and Friends,

The school year has begun. Our teachers and staff, have been working tirelessly planning and preparing for a fun and successful year. So much of what our teachers do for our children is funded out of their own pockets. We, the school community, would like to give back to them. Please consider donating an item or two to our school from their wish list. Thank you for your support!

Main Office

Fire safe file cabinet
Construction Paper
