

## Stop and Shop/ShopRite Gift Card Fundraiser

The Home and School Association will be running a Stop and Shop and ShopRite Gift Card Program all school year. We will be selling gift cards in \$25, \$50, and \$100 increments. This fundraiser is as simple as it gets. If you shop at Stop and Shop or ShopRite, you can use the gift cards instead of cash. You don't lose anything in this fundraiser. We all grocery shop so why not help out the school as you do. You swipe the gift card just like a credit card at the cash register. If you send in \$25, you get a \$25 gift card but the school gets \$1.25 for every \$25. **We would like each family to participate and buy at least \$1000 worth of gift cards during the school year. With 100% participation the school could earn at least \$10,000.**

When you send in your money marked Grocery Cards, Paula Ogurick or Maren Ogurick, c/o Skyla Grade 3, **you will have your gift cards delivered to your child the next morning.** If you send your money in on Friday, your cards will be sent home on Monday. Be sure to check your child's bookbag and let them know how important the envelope is so he/she doesn't lose it.

This fundraiser is simple and convenient.

Thank you for your participation.
