

Student Image Permission Form

Dear Parent or Guardian,

SS. Peter and Paul School hosts a Website at: www.ssppwtby.com

as well as a school Facebook page and a school video YouTube page. Occasionally we wish to post a picture of a particular school activity or student accomplishment such as a science project, a play, artwork, sporting event, or other activity. This may involve posting a picture showing a student, a group of students, or a sample of a student's work. We may also use these photos in brochures, posters, and in various other school publications. Videos produced by the school and/or its students and featuring the benefits and activities of SS. Peter and Paul School, may also be posted on our website, YouTube and Facebook pages.

If students' images or works are used in any of these print or electronic contexts:

- Only first names shall be used if referencing student pictures or scanned classroom work.
- Personal information will not be published.
- Documents will not include information that indicates the physical location of any student at a given time other than attendance at a particular school or participation in an activity.

Before posting pictures of students, samples of student work, or videos featuring students, we require that the parent(s)/guardian(s) sign the permission form below. *Please be aware that images of students may also be shared with the OEEC for use in their electronic and print media.

Your permission would cover this usage as well. We will keep this signed form on file for this school year.

Please complete page 2 and return to your teacher by 9/4/18
