

BUS INFORMATION

*****SS. Peter and Paul school has already provided Mr. Jeff Hunter, Director of Transportation & Durham Bus Company with your home address or any alternate addresses that you provided the school with. We can no longer make any changes. Parents who did not provide alternate information will need to get approval through Mr. Hunter and notify the school office of the approved drop-off location.**

The bus company, not the school, arranges the pickup and drop off locations. The schedule is usually in the Waterbury Republican the weekend prior to the start of school, or on the Waterbury Public School website.
