

Dear Parents/Guardians,

Our forms night will be Thursday, Aug. 25<sup>th</sup> from 6:00-7:30. Families that are new to SS. Peter and Paul School are required to attend to finish the registration process.

Please print and fill out only the forms, which are applicable to your family. If you have previously given the school information in regards to citizenship, bus or media, you do not need to fill out those forms again unless you wish to make changes. Amendments to family and student information or emergency contacts, may be done by calling the school office. Please make sure that the school has your home and work email addresses, as this will be a major line of communication for us.

Please note: If your child will be using the Before or After School, all that paperwork must be printed, filled out and returned on forms night on August 25<sup>th</sup>. Please make sure to include you email, as all billing will be done online.

If you wish to purchase milk for your child (white 2%)-you may return the completed form that evening or on the 1<sup>st</sup> day of school. Milk service will begin after Labor Day.

Sports waivers and physical forms will also be available, as they cannot be posted online. You may pick them up that evening or you may have your child request them to be sent home. All physicals and waivers for children participating in organized sports must be completed by the 1<sup>st</sup> of October for grades 5-8.

Please make sure to read the handbook, print out & sign the last page and return to your classroom teacher the first day of school.

Home and School Association will be there to greet all new families and help them become more familiar with our terrific school.
