

## Website and Other Publications

### Photo Permission Guidelines

Dear Parent or Guardian,

SS. Peter and Paul School hosts a Website at: [www.ssppwtby.com](http://www.ssppwtby.com). Occasionally we wish to post a picture of a particular school activity such as a science project, a play, artwork, sporting event, or other activity. This may involve posting a picture showing a student, a group of students, or a sample of a student's work. We may also use these photos in brochures, posters, and various other means of publication.

If students' pictures or works are used:

- Only first names shall be used if referencing student pictures or scanned classroom work.
- Personal information will not be published.
- Documents will not include information that indicates the physical location of any student at a given time other than attendance at a particular school or participation in an activity.

Before posting pictures of students or samples of student work, we require that the parent(s)/guardian(s) sign the permission form below. We will keep this signed form on file for this school year.
